District 45 Digital Communications Committee Meeting 20250415 Minutes

1. Discussed logo contest.

   1. Several submissions have been received.

   2. We will post all logo submissions on the website for viewing.

   3. If any logos are received in person at the district meeting they will be scanned in and added.

   4. We will print "Ballots" of all the logos to be distributed at the May 27 District meeting

   5. Voting will happen at the June 24 District Meeting

2. Committee will begin to look at website layouts over the next few meetings

3. We received the District Zoom Account login info.

   1. Cecil and Greg will work together to access the account and get things set for next week

   2. Greg will be in-person at April meeting and will try to have equipment figured out to display the meeting

4. Discussed the possibility of starting a District Newsletter - to be a companion to the Archives newsletter. More discussion will be done on this idea.

5. Discussed several resources for our committee to use

   1. Area Digital Communications committee - looking at their area web page and maybe attending some of their meetings

   2. TIAA - Technology in AA Forum - looking at what this group has to offer
